Ink & Imprint Books

This Fall, Ink & Imprint Books is thrilled to once again partner with local schools to offer School Book Fairs. Few things are as exciting for kids as Book Fair Week! But not every family can afford the cost of books for their kids, so we are once again fundraising to help ensure as many kids at each of the schools we work with can get books as possible. With our new website, this process is even easier. Simply go to https://tinyurl.com/Money4BookFair, select the amount you wish to donate, and let us know which school(s) you are providing a donation to when you check out. Every dollar you donate goes right to the schools for book fair purchases!

We are working with the **Lincoln Elementary School District #27** and **Carroll Catholic School**.

The schedule of book fairs is:

Central Elementary: Sept. 28–Oct. 2
Carroll Catholic School: Oct. 13–18
Northwest Elementary: Oct. 19–23
Lincoln Junior High School: Oct. 19–23
Washington-Monroe Elementary: Oct. 26–30

Don't forget to plan your shopping visit during this month to help the school of your choice raise even more money!

Dear Parishioners and Catholic School Families:

As our children head back to the classrooms, I am writing to you about a significant opportunity to find additional funds to both public and nonpublic schools in our state. Congress passed a new federal tax credit program for 2027 that could generate hundreds of millions of additional dollars for both public and nonpublic school students in Illinois. For Illinois to participate in the program, Governor Pritzker must opt in.

As an advocate not only for Catholic education, but also for the education of all Illinois children, I ask that you contact the Governor to ask him say "yes" to this program. It will give Illinois taxpayers the choice to contribute to programs that will help all children in our state *and* receive a federal tax credit for their donation. These funds are truly needed. They could help Catholic school families cover tuition, after-school programming, supplies, technology or other much needed items. Donations could also be directed to support programming and other needs for public school students and their families. It could benefit just about every child and every school in our state.

If Governor Pritzker does not opt in, you can still donate to programs such as this, but to receive the tax credit, you will need to donate to a school program in another state. Recent polling suggests that in one year, as much as $2 billion could be generated to boost education programming in our state. According to that same poll, if Illinois does not opt in, Illinois taxpayers may send as much as $1 billion for educational services in other states.

The program allows taxpayers a 100% federal tax credit for contributions up to $1,700. Any family earning up to 300% of the regional median income may qualify for scholarship assistance. This means more than 90% of all K-12 students would be eligible for support in Illinois.

According to our polling data, Illinois taxpayers will contribute to the program regardless of whether Illinois opts in or not. Shouldn't Illinois dollars benefit Illinois school children?

Please visit https://www.ilcatholic.org/federal-scholarship-tax-credit-program/ for more information and to learn how to send a message to the Governor and ask him to opt-in to the Federal Scholarship Tax Credit. You can also call the Governor's office directly at 217.782.6830.

Sincerely in Christ,

+Louis Tylka
